A screenshot of a terminal window titled 'MINGW64:/c:/Users/Seventh/3D Objects/octavoSem/OrganizacionCentros/JuanCarreon\_2809'. The terminal shows three separate command sessions. In each session, the user is at the directory '~/3D Objects/octavoSem/OrganizacionCentros/JuanCarreon\_2809 (master)'. The first session shows the command '\$ git config --global user.email carreon.cch@gmail.com'. The second session shows '\$ git config --global user.name seventhbook'. The third session shows the prompt '\$' without any further input.

```
